

2025-2026 Impact Report

The Cornell Computer Reuse Association (CCRA) is a Cornell student group whose mission is to donate computers and other computer-related technology to humanitarian organizations in the developing world, the local Ithaca community, and elsewhere.

We collect and refurbish computers, and then donate them to community centers, orphanages, schools, and other organizations.

Since 2006, we have donated over 6,000 desktops, laptops, and monitors at no cost to hundreds of outstanding organizations all over the world.

In the past year:

We donated **192** computers
and **33** monitors
to **6** countries
and **43** organizations

We repaired dozens of devices at the Bowers CIS Repair Fair

Join Us!

- During the school year, we meeting weekly in Gates Hall G09.
 - No experience is necessary! We teach you everything you need to know.
 - [Visit](#) our website for more information.
- For information about donations/requests or any other questions reach out to us at ccra@cornell.edu.

**Thank you for
your support!**
